Outfooted Dillon J. in a Red-Hot Finish.

LEASON'S RIDING TOLD

And the Irish Horse Poked His Nose in Frontatthe Wire-"Dutch" Lohrman Lands His Grace a Winner. Race-Entries and Selections,

The talent received another hard bump at the Island track yesterday. There were only two favorites to reach the wire first and they were both at the almos probibitive price of two to five. The racing itself was very good in every par ticular, and with a more even division of the spoils everybody would have gone home

Starter Cassidy was in extra good form, getting his field off at almost the first driving finishes to help liven things up, but they did not need much boosting, as the six books that went on had all they could do to handle the money. The feature of the day was the great race that "Honest" John Croker's good

gelding O'Hearn and Dillon J. put up. These two hung each other in the back stretch, and from there clean to the wire had a red hot drive. O'Hearn man-nged to poke his neck in front just as they struck the stand and secured the verdict, OLD MARE GETS ONE.

OLD MARE GETS ONE.

The opening event was won by May D.
The old mare was not much functed in
the betting, and closed at 6's. Fanny
Beverly and Pilgrim had the call at 4 to 1;
take your pick. To a fair start, Misery
showed in the lead and kept the advantage
to the stretch, where he died away to
nothing. May D. then took up the running, and in a fierce drive, won by a length ning, and in a fierce drive, won by a length from Red Elm, with Mayor B. third. from Red Lim, with Mayor B. Inital.

Cockade, to all appearances, had the second event athis mercy and was backed from

1 to 2 to 2 to 5. Redowae and Bob
Miller essayed the part of pace-makers
to the turn for home, where the favorite
went out, and passing with ease, won galloping, by eight lengths, from Bob Miller,
with Redowae third. with Redowne third.

with Redowac third.

Svengail was again made the medium of a heavy plunge, being backed from 2's down to 4 to 5. He must have had a peep into the ring, however, as the best he could do at the finish was third to Hopeful and Sir William.

DUTCH PUTS UP A FINISH.

His Grace made his appearance after being in the stable for quite a little time. He was not considered a dangerous factor, and closed at sixes, with Quilla the favorite at four to five. Little "Butch" Lohrman put up a great finish on His Grace, and in a hard drive landed his mount a winner by a short half length from Quilla. Basil Duke, who had been touted as a good thing, was

bad last. The Dixle Stable's Fagin won his sixth consecutive race in the fifth event. He was a two to five favorite, with Miss Elizabeth next in demand at four to one. Eclipse, Jr., and Irish Lass managed to stay in front to the quarter, where Fagin passed them, and from there in was under double wraps. At the end he walked in, four lengths before Miss Elizabeth, with Traitor

The finish in the closing event was so hot that the timers falled to take any time in the race. O'Hearn and Dillon J. furnished the sport, and it was owing to Gleason's clever handling of the former that he wen the money. Pope, who was at sixty to one in the betting, came third.

BASEBALL CUP PRESENTED

Engraving and Printing Team Receive the Departmental Troyliy.

President A. A. Sonsa Hands Over the Cup to Mr. Miller, the Manager of the Victorious Team.

The championship trophy of the Departmental Baseball League was presented to he Bureau of Engraving and Printing Bas-ball team at the Plate Printers' Assembly rooms last night by Mr. A. A. Sousa, the president of the league.

Quite a large crowd of the members and friends of the league were present when Mr. Sousa made the presentation speech and his remarks were received with great

and his remarks were received with great enthusiasm.

The trophy was pronounced by all to be a beauty. It stood nearly two feet tall and represented a baseball player holding a baseball upon his shoulders. The ban was hollow and the top could be lifted off by two crossed bats, over which a laured wreath was thrown. On one side of the ball was engraved "Championship Trophy, Departmental Baseball League," while on the base was "1894, District Commissioners' Office," and directly beneath this, "1895, Bursau of Engraving and Printing." In presenting the trophy Mr. Sonza prefaced bis remarks with a short sketch eithe birth and growth of the Departmental League. He gave a short, that concine history of the early streggles of the League, and its final establishment upon the firm fooding which it now holds.

Referring to the cup, he went on to say, "Atha sirepresented as upholding. This trophy represents a baseball player upholding a baseball. As the world is to Atlas so is the baseball to the player. The figure in the trophy probably bears a likeness to your general manager. Mr. Miller, however, disclaims being a sliver man, that is a free silver man, since the recent election. "In presenting this cop to the victorious team of the past season I want to thank them not only for the creditable manner in which they upheld the reputation of the League for first-class baseball playing but

which they upheld the reputation of the League for first-class baseball playing but for the gentlemanly treatment that all oppos-ing teams received at their hancs while on the diamond. We had a glorious base-ball year, and the best team won. May the complex teams before us the same the coming season bring us the same success."

Sousa then handed the trophy over
